

***Your presence requested: Come discuss TheRide and the future of transportation in Washtenaw County!***

After months of research, community discussion, and dialogue on Washtenaw County's current and future needs, TheRide (Ann Arbor Transportation Authority) will soon be revealing three scenarios aiming to improve transportation throughout Washtenaw County. They need your input to create a community-supported vision for the county.

Each of the three scenarios presents transportation solutions that help Washtenaw County address these urgent community needs:

- smart and sustainable economic growth
- mobility for commuters, students, seniors
- healthy rural areas
- vibrant urban areas
- decreased dependence on foreign oil
- solutions to protect our environment

The scenarios will be presented and discussed at 20 [community forums](#) beginning on January 31 and continuing through February 23. Your feedback at these forums will help TheRide determine which scenario, or combination of transit solutions, offers the best approach to meet our community's growing transit needs. Please come!

Forums to be held convenient to York Twp. residents will be on:

**Tuesday, February 8, 2011 / 6-8 pm**

***Saline City Hall***

**100 N. Harris St., Saline**

**And**

**Monday, February 21, 2011 / 6-8 pm**

***Milan Senior Center***

**45 Neckel Ct., Great Room, Milan**

The scenarios – along with a schedule of forum dates and locations – can be found at the transit master plan website [www.MovingYouForward.org](http://www.MovingYouForward.org).
